

Harley-Davidson Milwaukee 8 Pistons

Harley-Davidson Milwaukee 8 Pistons 2017-2019

- Premium compression ring for ultimate seal and consistent performance in all operating environments
- Napier second ring with tapered face and under-hook design improves oil scraping
- 3mm oil ring design provides higher tension for enhanced oil control
- Black Edition series' proprietary ArmorX coating on crown, ring grooves, and pin bore delivers superior wear protection
- Proprietary ArmorFit skirt coating on Black Edition conforms to bore size and reduces operating friction and noise
- Available in various bore sizes and compression ratios to tailor your performance build
