

Press Release

Limited Time Only- Small Batch Customs!

January 13, 2009

Due to continued investments in our operational capabilities, Wiseco is proud to offer a reduction in lead-time and minimum order quantity for build-to-order **2-stroke** and **4-stroke** powersports pistons!

Minimum order quantity

2-Stroke: 12 pieces

4-stroke: 8 pieces

Lead-Time

3 week manufacturing lead time

Please note:

- Allow additional time for anodizing, skirt coating, and electroless nickel plating.
- Certain design restrictions may apply.
- Lead time is based on 100% forging and component availability.

Please fax or contact our expert sales team immediately for orders or inquiries. **This is a limited time offer!**

* Each order will be confirmed with pricing and ship date prior to the order being released to manufacturing.

* A deposit is required for each order.
