

New Product

Wiseco Garage Buddy Steel Valve Kits

The graphic features the Wiseco logo at the top, followed by the 'Garage Buddy' character (a dog) sitting on a valve. Below this, the text 'GARAGE BUDDY' is written in a stylized font, with the tagline 'Hassle Free, Helping Save Money and Time' underneath. The main product name 'STEEL VALVE KIT' is prominently displayed in large, bold letters, with the tagline 'Improves Durability and Service Life!' below it. At the bottom, there is a list of included items: 'WHAT'S INCLUDED: Springs, Valves and FREE Cam Lube'. The background is a mix of red, white, and black diagonal stripes.

Features

- Matched steel valves and springs
- OEM quality valves
- Precision valve springs
- Extended service life
- 250 and 350F Performance
- 450F Performance
- Complete package
- Added value
- Wide application range

Benefits

- Engineered solution for your engine
- Manufactured by leading OEM suppliers
- Spring rates calculated for added loads from steel valves
- Increased reliability and longer lasting
- Springs manufactured by premium race suppliers in USA
- Engineered for dependable and reliable running
- Valves and springs for intake and exhaust replacement
- Moly paste for cam lobe and buckets included
- All current models of performance 4-stroke engines
