

New Product

Wiseco Tracker Series V-Twin pistons

Features

- Over 75 years' experience
- Forged piston crown
- Precision fit rings
- Force fed pin oiling
- Pressure seal groove
- ArmorGlide® skirt coating
- Value packaged
- Gasket Kits available

Benefits

- Performance with added value
- Generous valve pockets for big valves and cams
- Selected for each application for ultimate sealing
- Enhanced lubrication of the piston pin
- Reduces ring lifting and power loss
- Reduced friction, quieter operation, improved scuff resistance
- Popular models with complete kit
- For all applications, sold separately
