

## Billet Clutch Covers – New Applications

### Wiseco Billet Clutch Covers – New Applications

- Designed and engineered for the ultimate combination of performance, durability, and attractive aesthetic new look.
- CNC-machined billet 6061 aluminum construction for increased strength over OEM cast components
- Double hard-anodizing provides superior durability and wear resistance
- Engineered with increased depth over OEM for higher oil capacity
- Can be used with Wiseco or OEM internal clutch components
